Affordable Above Ground Pools

The Tug & Clipper Pools are moulded from a unique Polyworld™ design with tapered sides. This one-piece Polyethylene pool is created to withstand the harshest Australian conditions.

The Clipper Pool and Tug Pool are both easily moved and manoeuvred being very light.

The Tug & Clipper Pools can stand on a Crusher dust or flat concrete base and come complete with an easy to install filter and pool kit – just add water!

We deliver to most areas, ask our consultants for details.
Check with your Council for fencing requirements.
For electrical connections, see your licenced electrician.
