The Schooner Above Ground Pool

The Schooner Pool is moulded from a unique Polyworld™ designed one-piece LLPDE - polyethylene created to withstand the harshest Australian Conditions.

The longest of any moulded pool, with flat sides and only 2.5m wide this will go through most gates. The Schooner pool is ideal for narrow home blocks and small spaces, perfect as a therapy pool.

The Schooner can be manhandled by 4 men into position and comes with a simple bolt together frame.

The Schooner pool can stand on **crusher dust** or **concrete** base and comes complete with an easy to install filter and pool kit - just add water!

We deliver to most areas, ask our consultants for details.
Check with your Council for fencing requirements.
For electrical connections, see your licenced electrician.
Lay-By Available.
