The Polyworld Difference

- Unique above ground design
- Polyethylene
- Light weight and relocatable
- Impact resistant
- Engineer certified
- Fully recyclable
- UV stabilised for the severe Australian conditions
- 10 year warranty on pool

Affordable Above Ground Pool

The Tug & Clipper Pools are moulded from a unique Polyworld™ design with tapered sides. This one-piece Polyethylene pool is created to withstand the harshest Australian conditions.

The Clipper Pool can be easily transported flat as a wide load, whilst the Tug is a standard width load and can be manhandled into position.

The Tug & Clipper Pools can stand on a **flat sand** base and come complete with an easy to install filter and pool kit – just add water!

We deliver to most areas, ask our consultants for details.
Check with your Council for fencing requirements.
For electrical connections, see your licenced electrician.
Lay-By Available.
